

TPCDT installs a sanitation complex near TISS, Mumbai

- Mumbai, April 04, 2016

Tata Power Community Development Trust (TPCDT) has always been a pioneer in augmenting good health and wellbeing of communities living in and around its areas of operation. In continuation of this philosophy, the Company installed a sanitation complex in collaboration with Sulabh Toilet Complex, near the Tata Institute of Social Sciences in Deonar, Mumbai. The sanitation complex inaugurated recently, was installed on the lines of "Swachh Bharat Abhiyan," basis Honorable Prime Minister Narendra Modi's national campaign.

The objective of this initiative was to provide clean and hygienic sanitation, to put a halt on the practice of open defecation and promote the use of clean toilets. The importance of maintaining hygienic sanitation practices through the use of proper toilets was highlighted through this initiative. The inauguration was attended by the Additional Commissioner (MCGM) Mr. Kiran Digaonkar, in addition to representatives from Sulabh and TPCDT.

Speaking on the initiative, Mr. Ashok Sethi, COO & Executive Director, Tata Power said, "It is our endeavour to provide a clean and hygienic environment for the surrounding community. We hope that through this initiative, we will be able to provide a healthy environment for people living around our project areas that would contribute to their welfare and wellbeing. TPCDT supports all efforts benefitting towards nation building and will strive to be a supportive partner consistently."
