

TPCDT organises Dental Check-up Camp for School Children in Mulshi

- Mulshi, April 11, 2016

Tata Power Community Development Trust (TPCDT), has always been at the forefront of extending health care services to the local communities as part of its community development initiatives. In line with this, the Mulshi team conducted a Dental Check-up Camp for School Children. The dental check-up camp was attended by more than 180 students from schools across five villages of Sambhave, Mulshi Khurd, Male, Jangaon and Disli.

The objective of this check-up camp was to examine the oral hygiene of the school children and diagnose the dental problems faced by them. . Most of the students were also diagnosed for Material Alba, food debris, carious teeth, and calculus. Post the dental check-up, majority of the children were advised to undergo further treatment of cleaning of teeth, filling of teeth, removal of teeth etc. The children were referred to Bharti Vidyapeeth, Lavale Hospital where they will avail free treatment.

Commenting on the initiative, Mr. Mahesh Paranjpe- Chief Hydros, Tata Power, said “It’s our endeavour to improve the quality of life of our communities through the various Health Care initiatives we undertake from time to time. We are delighted with the positive response received from the school children for this dental check camp. We would continue to undertake such initiatives in the future and contribute to the well-being of the communities”.

The Dental Check-up Camp was conducted in collaboration with Bharati Vidhyapeeth University, Social Science Centre, Pune. A team of 8 Dentists from Department of Public Health Dentistry, Bharati Vidhyapeeth University, Katraj provided their technical assistance for conducting the camp.
